ABOUT US

The Southeastern Indiana Recycling District exists to serve the people of Franklin, Jefferson, Jennings, Ohio, Ripley, Scott and Switzerland Counties. Our mission is to preserve and enhance our environment, natural resources, and public health and safety by leading in the proper management of solid waste. This may be accomplished through the practice of recycling, the reuse of satisfactory items and ultimately the reduction of materials entering our landfills. Together we are partners in protecting the earth. Following is a sampling of some of the many activities of SEIRD……

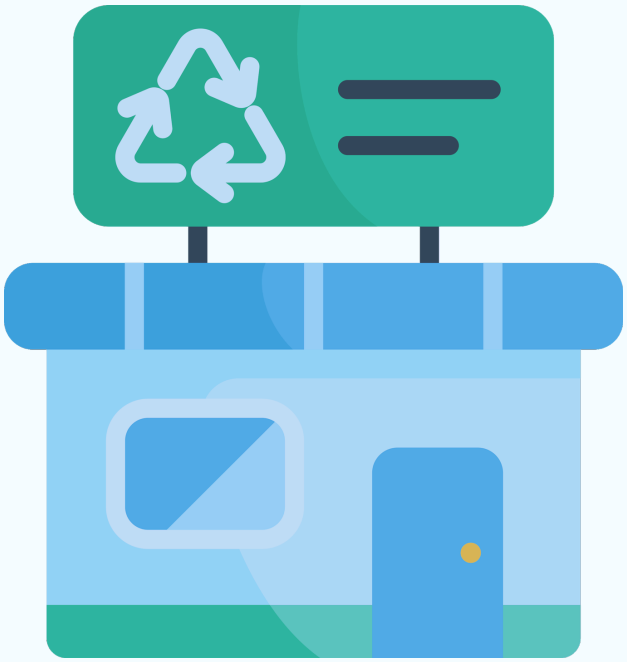

- Operates 8 recycling & 7 re-use facilities.
- Collects recyclables from over 60 schools.
- Provides grants to cities / towns within the district to underwrite local recycling programs.
- Provides a place to dispose of difficult-to-recycle items, such as HHW, tires, chemicals, used oil / filters, refrigerants, electronics, etc.
- Extensive educational outreach / programs.

For more about recycling opportunities in your county please visit www.seird.org

RECYCLING OPPORTUNITIES

A DIFFERENT WAY TO RECYCLE !!!

The Scott County Re-Use Center provides an alternative way for items to be "recycled". Bring something in, take something out! All items left at the center are available to any Scott County residents at no cost. Items from the center are not intended to be resold. Please respect the generosity of others.
